

Your Mailbox Needs Attention

**WHICH ONE
LOOKS LIKE
YOUR MAIL
BOX?**

Postal regulations require customers to provide and erect at their own expense mailboxes which meet critical standards. A recent inspection disclosed the following faults.

Please quit leaving your coffee cup inside your box		Where'd you buy this mailbox, Miniature World?
Your box hasn't been emptied since the Carter administration	✓	This is the last straw with this mailbox of yours! Tomorrow I promise to bring my baseball bat.
The freakin' UPS guy put a package in your box		By the way, I was just wondering, why on earth do you need so many dang catalogs?
Your box contains last week's ADVO		Wah! I got an owe from your mailbox!
Yikes! I've never seen so many baby spiders!		Love the "Happy Birthday" balloon, but hello? you tied the dang mailbox lid shut!
I'm sorry but the chartreuse and puce color scheme on this box makes me want to heave		The MSP sticker is getting a little ratty
Lose the cardboard box with "Mail" scrawled on it		OK, I give up, where'd you hide the #@%* mailbox?
Alright! A baggie with fudge for the letter carr... Hey, wait a minute, that's not fudge!		Buddy, your mailbox is a lost cause; please consider going with just e-mail

Please help us provide you with better service by correcting these faults

by Sept 8, otherwise, you're cut off baby!
